The 30-Word Review

Reviews are how small books find readers. Here's the game: review *My Life in Lists of 30* or *Our Life in Lists of 30* in exactly 30 words. Not 29. Not 31.

HOW TO PLAY

1. Draft your review in the 30 boxes below, one word per box.
2. If you hit 31, cut one. (That's a real principle from the book.)
3. Post it where readers look: Amazon, Goodreads, or your own feed with #30WordReview.
4. Be honest. A real 3-star review beats a fake 5-star one, every time.

YOUR 30 WORDS

13	14	15	16	17	18
