SPEAKER ONE-SHEET

Clemens Wan

Author of *My Life in Lists of 30* and *Our Life in Lists of 30*. Engineer, TEDx speaker, and Toastmaster since 2010. He makes writing, careers, and technology feel doable, one list of 30 at a time.

TALKS & WORKSHOPS

Write Your Life in Lists of 30

Workshop, 30-90 min

The method behind two books: the template, the three laps from item 1 to 30, and a live Speed-Listing round. Everyone leaves with a list they wrote.

30 Things in the First 30 Days

Talk, 20-45 min

Starting a new job, from the list in Our Life in Lists of 30: hit the ground running, listen 10x more than you talk, and send a badass introduction.

Small Talk for Engineers

Talk, 20-45 min

Drawn from 30 Small Talk Tips and 30 Small Talk Topics: the whatsit, pointing your toes, and why the follow-up is where networking starts.

Writing With AI Without Losing Your Voice

Talk or panel, 30-60 min

From building a custom GPT on his own book to his Clembot AI system: where AI helps a writer, and where it should stay out of the way.
